SAFIA ATIQ

COMPUTER SCIENCE STUDENT

@ safia.attiquee@gmail.com | 📅 8 Nov, 2008 | 📍 Hazro , District Attock, Pakistan

Profile Summary

I am a highly motivated Computer Science student with a strong academic record. I have practical experience in programming. I showed innovative skills in school presentations, which demonstrate intellectual curiosity and initiative to build. I have proven effective critical thinking through structured argumentation in debates. In the future, I aim to pursue an undergraduate degree in a combined field of Computer Science and Physics, with a focus on pursuing my career in game physics and simulation.
